

**FUEL SURCHARGE AGREEMENT**

LTL Fuel Surcharge applies to all Air shipments and all Ground shipments less than 7500 pounds.

Truckload Fuel Surcharge applies to all Ground shipments greater than 7500 pounds and all Exclusive Use shipments regardless of weight.

All transportation charges in this agreement, including per mile rates and flat rates, are subject in a fuel surcharge calculated as follows:

**For every 5 cents increase in fuel price add .5% to the LTL Fuel Surcharge and \$.01 per miles to the Truckload Fuel Surcharge - extends indefinitely.**

**Exceptions:** On movements that originate or are destined from/to or between points in California, an additional 2 cents per mile will be added for TL moves. **Does not apply when DOE Fuel Index drops below 110.0.**

1. The U.S. average diesel fuel price issued by the DOE's Energy Information Administration, National Energy Information Center (202-586-6966) each Monday will be the weekly diesel fuel cost used. If the fuel index is not issued on Monday, the next index issued will be used.
2. The fuel surcharge will be calculated monthly.
3. The fuel surcharge will be effective the first day of each month and is based on the average of the previous four weeks of the diesel fuel index as issued by the DOE (Item #1 above).
